

AniMeals Partner List

Are you interested in receiving AniMeals pet food donations or do you know someone who desperately needs food for their pets? If you are elderly, disabled, homeless, military, or low income you may qualify for pet food assistance. AniMeals would love to help you with providing a supply of cat or dog food upon enrollment through one of our partner organizations or centers. The AniMeals program does not deliver to individual clients, but works thru all the partners listed below. You can receive AniMeals while you receive assistance from a partner listed. Your AniMeals will arrive directly from our partners.

Organizations we work with span all across San Diego and provide assistance for a variety of situations and circumstances. Listed below are these organizations, arranged by the area of San Diego County they serve. Please check out their websites and find one that fits your specific needs and location. If you are able to become a client of one of the following, you will then be able to qualify for AniMeals pet food deliveries.
