CLUB PET BOARDING EXOTIC HEALTH CERTIFICATE

In order to provide the best possible care for our clients and their pets, we require the following documentation be submitted annually for our records to show that this pet is stable and healthy for a boarding environment. All boarding pets that are not canine or feline must have written veterinary clearance to board at Club Pet.

- ◆ **Pets must provide Health Certificate documentation annually in order to board. Club Pet Management reserves the right to request documentation more frequently when deemed necessary.**
- ◆ **Health Certificates must be filled out individually for each pet that is subject to this policy. Please do not group multiple pets onto one form.**

CERTIFICATE FOR:

Client Name (First and Last): _____ **Pet Name:** _____

Breed: _____

As veterinarian overseeing care of this pet, I understand that Club Pet Boarding is a non-medical, non-24 hour facility. To my knowledge, this pet is stable and free of health concerns that would present a risk while boarding in this environment. I will contact Club Pet prior to signing this document if I feel there may any special considerations or accommodations that must be made in order to give my approval for boarding to ensure that Club Pet is able to provide the level of care that I feel is best for my client's pet.
