

Volunteer Opportunities

Dear Friend of the Center:

Thank you for your interest in volunteering at Helen Woodward Animal Center. It is truly an exciting place to be, a place where you can really make a difference.

The following information is for adults, with very limited positions for juniors at least 14 years of age.

How to become a volunteer:

1. Attend a volunteer **orientation** and tour to learn about our volunteer programs and the commitment involved.
2. **Interview** for a specific volunteer position. **Openings are limited and are posted at the orientation.**
3. If accepted, **training** dates and volunteer schedules are usually assigned within the same month. Most volunteer positions require a firm weekly 3-6 hour commitment for 6 months or 70 hours.

PLEASE NOTE: Under no circumstances will Helen Woodward Animal Center be able to verify any hours for court ordered community service. Please contact the court for a list of participating non-profit organizations to verify your hours.

Orientations are on the following Saturdays from 9:00-11:00 am.

2017 orientations are scheduled for January 28th, March 18th, May 20th, August 19th and October 7th.

Our street address is 6461 El Apajo Rd. in Rancho Santa Fe. **Please park at our main lot and walk to our lecture hall 'Morse Hall'**, Directional signs will lead you to Morse Hall. Doors open at 9:00 am. **Important parking information: Do not park in reserved Adoption parking spaces.** Wear comfortable shoes. **Please do not bring pets to the orientation.**

- Please bring your completed Volunteer Application with you.
- Include complete and definite schedule availability (page 3 of application) for the next 6-8 months or if you anticipate a change in your schedule before 6 months, please write your new schedule on the application as well (Please do not write "flexible schedule").
- Once the orientation is completed, you will turn in your Volunteer Application to Volunteer Services and we will forward your application to whichever departments you are most interested in (depending on availability of openings). The department manager will contact you within 2-3 weeks after the orientation if they are interested in scheduling an interview with you.
- Interviews are scheduled only if you have completed the orientation and are available for the specific training dates and shift openings.
- **Parents of junior volunteers may stay for the entire orientation or you may pick them up at approximately 11:00am** (NOTE: Depending on the orientation attendance, we may finish earlier/later than 11:00am).

To sign up for the orientation, please e-mail Megan McCarty at meganm@animalcenter.org.

Thank you for caring!

Megan McCarty
Manager of Volunteer Services

VOLUNTEER OPPORTUNITIES

AniMeals:

This program provides free food to the pets of homebound elderly or disabled citizens. **Route Representatives** pick up food from donation bins in pet supply stores. You build rapport with store employees, helping them understand how beneficial AniMeals is to their stores and to the pets who receive the food. (Once per week or twice per month/car necessary). **Food Packagers** custom package a week's worth of meals for each pet (Once per week). Organizational skills necessary. **Meals Delivery People** pick up the packaged meals and deliver to Meals on Wheels Centers. (Once per week/car necessary). **Volunteers must be at least 18 years old to make deliveries.**

AniMeals Pet Food Drive:

AniMeals is a pet-food-on-wheels program that provides regular meals free of charge for the dogs and cats of homebound elderly and ill people. Junior volunteers 10 years old and up may hold a pet food drive at a local supermarket. Parental supervision is required. Please request specific guideline information. **(The general adult volunteer orientation listed on the cover page is not required.)**

Adoption Department:

Pets awaiting new homes need extra T.L.C.! Working in the Adoption Department includes exercising and socializing dogs or cats, kennel cleaning,, grooming, laundry and clerical duties. **Volunteers must be at least 14 years old to apply. Openings are very limited.** Once trained, volunteers are scheduled to come in once a week for a 3-hour shift. Shift times start at 9:30 am, 12:30pm and 3:30pm ending at 6:00pm. Shifts available Sundays through Saturdays. Volunteers work with minimum supervision. Volunteers working with dogs need to be physically able to handle very large, enthusiastic dogs. Commitment required is 6 months or 70 hours with a regular weekly schedule.

Foster Care:

Care for pets in your home. Volunteers provide varying levels of care for orphaned dogs or cats, ranging from a warm quiet place to promote weight gain, to socializing with humans, noises and new surroundings. Our most intensive level of care requires bottle feeding or medical administration around the clock. **This is a separate application process. (The general adult volunteer orientation listed on the cover page is not required.)** Volunteers participate in an interview and training process for certification. The foster application is available on line at www.animalcenter.org or from the Foster Department. **Volunteers must be at least 18 years of age.** Once trained, volunteer's name is put on a list to be called to care for baby animals 2-8 weeks of age, as the need arises. (Volunteers are not 'on-call' indefinitely. They are called at the time of need to see if they are available for about 2-8 weeks.) The pets are brought back to the Center after foster goals are met.

Club Pet:

Club Pet is looking for energetic volunteers to give our boarding dogs and cats lots of attention and T.L.C! Volunteers are needed 7 days a week. You must be able to commit to a 3 hour block of time, once per week, for at least 6 months. Our volunteer shifts are 9am to 12 noon, 10am to 1pm, 11am to 2pm and 12 noon to 3pm. Our dogs and cats miss their families, so our volunteers step in to give them the love and attention they need while boarding. Volunteers exercise our dogs by taking them on walks and doing off leash field play. For our older dogs, T.L.C. and Cuddle times in the kennel or out in the sun on the lawn are offered. Our cats look forward to their Feather time sessions. Felines also enjoy Bubble time, Cuddle time and T.L.C. sessions with our volunteers as well. **Volunteers must be at least 16 years old to handle animals.** Volunteers must also pass our dog handling class, which is given as part of the Club Pet Volunteer orientation and training program. Volunteers can be at least 14-16 years of age to help with cleaning kennels, doing laundry and washing dishes only.

Office Assistants:

We often joke that the animals will not do any "paper work" but the reality is that the office, administrative and fund raising side of our work is invaluable fuel for all of the programs for the people and animals that we serve. The Center uses Microsoft Office software, including Word, Access and Excel. Volunteer positions are usually a weekday shift for 3-5 hours. We need volunteers who have organizational skills and attention to details.

Therapeutic Riding:

Therapeutic riding emphasizes the use of the horse as a means of recreational sports riding for individuals with challenges. The therapeutic riding lesson provided is instrumental in improving a rider's emotional, social and physical development. Volunteers help to provide the necessary environment of support, education, and therapy. Volunteers assist in individual lessons, either as leaders of the horse or as side walkers, helping the rider with balance and motor skill planning. Care and grooming of the horses are also involved. Volunteers are requested to come to the same lessons on a weekly basis, usually a 3-5 hour shift per week. A 6 month overall commitment is required. Shift times range from 8:30- noon or 1:00-5:00 Tuesday through Saturday. Volunteers must be able to help lift and support an adult rider. **Junior volunteer openings (ages 16-17) are very limited. For junior volunteers, an extensive background of lessons or comparable horse experience is required.** (Volunteers do not have the opportunity to ride our horses.) **We may have several camps in the summer where juniors are needed for 1-2 weeks (Tues.-Fri.).** (Call the Manager of Volunteer Services for details). A background of lessons or comparable horse experience is required for all volunteers.

Equine Hospital Volunteers:

Volunteers in the Equine Hospital assist the technicians with cleaning and animal husbandry. This opportunity is generally for those studying large animal medicine. Extensive experience with horses is required. A 3-6 month commitment is required. Shifts are once a week for 6 hours. Multiple interviews are necessary. **Volunteers must be at least 16 years old.** Another volunteer position is helping in the office on weekdays. If you are detail oriented, with or without horse experience, helping our four legged friends in the office may be for you.

Pet Encounter Therapy:

"P.E.T." involves taking a **variety of animals** to visit patients in convalescent homes, hospitals, shelters, and mental health facilities. (P.E.T. is for adult volunteers only). Volunteers use Center owned rabbits, guinea pigs, reptiles and birds. **The only dogs used in this program are owned by individual volunteers**, after screening by P.E.T. personnel. Ask the Manager of Volunteer Services for screening forms to find out if your pet is suited for this type of volunteer work. All volunteers begin training with Center owned rabbits and guinea pigs. Volunteer owned dogs are screened and introduced to the program after the volunteer is trained. This rewarding program requires patience and an outgoing personality. A commitment of 4 shifts (usually 3 hours each) per month, scheduled in advance is requested. Generally this program is on weekday mornings or early afternoons. Saturday shifts are very limited. **Volunteers must be at least 18 years old.**

Exotic Animal Care Assistants:

Volunteers assist the Exotic Animal Caregivers with husbandry, cleaning, exercising, and socializing of the exotic pets used in our Education and Pet Encounter Therapy programs. The animals are divided into three different categories including: amphibians and reptiles, birds, and small mammals (chinchillas, guinea pigs, and rabbits). Volunteers will typically start in just one category of animal as is deemed to best suit their exotic pet experience, but there are opportunities for growth into the other animal categories with time and commitment. **Volunteers must be at least 14 years old.** A 6 month or 70 hours commitment is required. Shifts: 9am-noon or (rarely) noon-4pm.

Education Barn Animal Care Assistants:

Volunteers assist the Barn Animal Caregivers with husbandry, cleaning, exercising, and grooming of the hoofstock and barnyard creatures used in our Education and Pet Encounter Therapy programs. The animals can include a variety such as: alpacas, chickens, goats, invertebrates, miniature horses, and sheep. Volunteers must have some prior animal experience and attention to safety in order to work with these larger animals.

Volunteers must be at least 14 years old. A 6 month or 70 hours commitment is required. Shifts: 9am-noon.

Paws in the Ranch Pet Boutique Assistants:

Volunteers assist staff in final adoption paperwork, pet supply sales and answer phones. Be a part of sending an animal home with its new family! Customer service experience needed. Ability to learn to use computerized register required. **Volunteers must be at least 21 years old.** Volunteers commit to two, three-hour shifts per week for 6 months.

Education Department Assistants:

Our summer camp program has 9 week-long sessions. Junior volunteers, **ages 14 and up**, may apply to be teacher assistants for one week, Monday through Friday. Junior volunteer assistants help instructors teach pet responsibility to students (student ages 4-10), resulting in greater compassion for all living things.

* Important note to Juniors: **This program has a separate application, interview and training program** to teach classroom leadership skills and determine junior volunteer readiness to be classroom assistants. The "Critter Camp" application is available in January or early February. **(The general adult volunteer orientation listed on the cover page is not required.)** The application period is January through March, with summer assignments made in late April/early May.

Special Events:

Our fundraising events include the Spring Fling black-tie event (early June); HOPE Telethon (October/November), the Puppy Love 5K Run/Walk (March) and Surf Dog (September). Volunteering only for events does not require the general orientation and tour. It does require an on-site training session and a 5-8 hour shift on the day of the event. Tasks include set-up, take down, registration, auction sales, cashiering, vendor assistance, course marshals, etc. Limited positions are available for junior volunteers (14 and up) with parental supervision at the training and the event. **Ask for a Special Event sign-up form. (The general adult volunteer orientation listed on the cover page is not required.)**

Special Event Planning/Marketing and Fundraising:

Be a part of planning fun and productive events. Opportunities are available to take on leadership and support roles for fundraising events. Positions include marketing and fundraising, planning and completion of tasks within deadlines, clerical and phone assistance, preparation of mailings, setup and take down on the day of the event, etc. Opportunities to help with securing event underwriting, auction items, and sponsorships may also be available. Volunteers see projects through from beginning to end, including the many details of major events.

Coins for Critters:

A fun and flexible way to help the Center's programs! Join a program where you monitor donation canisters in retail locations near your home. Volunteers exchange full canisters for empty ones on a weekly basis. We need volunteers who live in coastal North County. We also need volunteers to help recruit new business.

Helen Woodward Cares for Critters Outreach Program:

This program involves volunteers going to various locations around San Diego County (such as shopping malls, stores, etc.), setting up a booth and soliciting donations for the Center as well as talking with the public about Center programs and handing out brochures. At most events, an adoptable dog is brought to increase traffic. NOTE: In order to transport/handle any adoption animals, you must complete the Animal Handling Training class. Classes are scheduled usually following a Volunteer Orientation. Volunteers must be at least 14 years of age or older to participate in this program.

Orphaned Objects Resale Shop:

Orphaned Objects is a boutique style shop offering some of the best deals in San Diego. We carry one-of-a-kind items, furniture, home décor, games and toys, books, jewelry, art, clothing, shoes, sports equipment, pet products and more.

All sales at Orphaned Objects Resale Shop benefit the programs and pets at Helen Woodward Animal Center. Volunteers help ring up sales, organize and sort through inventory, assist with projects as needed from the store manager and tag items for sale. **Volunteers must be at least 16 years of age or older.**

Guidelines

Please read the volunteer guidelines at right carefully. They contain important information about the Center's rules and policies.

1. Volunteers are required to attend interviews, orientations, and training as the Center deems necessary. Volunteers are required to commit to a regular weekly schedule for 6 months or 70 hours minimum to participate in any Center program unless otherwise stated on job description.
2. Volunteers should be polite and helpful at all times. All people and animals are to be treated with respect and courtesy. Volunteers are required to adhere to the rules explained in the training as it pertains to animal handling.
3. Volunteers should refer questions from the public regarding Center policies to the staff only. Volunteers should maintain confidentiality in regards to Center clients and business.
4. Volunteers must accept the guidance and decisions of the professional staff person responsible for volunteer activities. Problems and disagreements should be taken to the department supervisor or the Volunteer Manager. Volunteer supervision should be consistent with the Volunteer Management Policy and Procedure Manual. This manual is available for review from the Volunteer Manager.
5. Volunteers are responsible for keeping track of their schedules and logging in daily according to their supervisor's system. Reasonable notice is required if unable to make a volunteer shift.
6. For safety reasons, volunteers are required to wear appropriate attire when working with animals. Dress code will be established by each department. Smoking is allowed only in designated areas (see supervisor). Volunteers who work in a public access area are required to purchase and wear a Center T-shirt (approx. \$12) during their volunteer shift.
7. Volunteers should not be in any area of the Center without the proper training or supervision. Guests of volunteers are not allowed to accompany the volunteer during their shift.
8. Volunteers shall agree to the Center's right to release them for unsafe practices, for not following the procedures described in orientations and training sessions, or for any behavior that is inappropriate for Center business. Release will be determined by Center personnel only.
9. Parents are required to sign paperwork for junior volunteers. We reserve the right to release a junior volunteer from his or her job without delay if we feel the situation is either unsafe or unproductive.
10. Any accident or injury to either a person or animal should be reported to a Center manager immediately.
11. No photos or videos of any kind can be taken on Center grounds without prior consent.
12. Volunteers may not give any unapproved treats to any animals on Center grounds. Please check with your Volunteer Supervisor or a Center supervisor before giving any kind of treat to any animal on Center property. No rawhide treats may be given at any time.

The Center Agrees to:

1. Provide an orientation, training, and continuing education as available for the assigned position.
2. Assign a staff person to supervise volunteer activities.
3. Provide extended opportunities, when available, for those volunteers who are interested and qualified.

Waiver and Release of Liability

For adult volunteers or parents of junior volunteers: Please read this information & sign your consent if you accept these terms.

- Tetanus Information: I understand that because I, or my child (if applicant is under 18) may handle animals, it is important to discuss the tetanus vaccine with my physician.
- I release Helen Woodward Animal Center from all responsibility that may occur because of my not pursuing this matter further and I understand whatever decision I make is at my own risk.
- I have read, understand and agree to the above tetanus information.
- In the event of an emergency while I am on Center grounds, I hereby give the Helen Woodward Animal Center permission to seek medical attention for myself or my child (if applicant is under 18.)
- I give permission for the Helen Woodward Animal Center to photograph me or my child for use in any Center publication, educational, or advertising purposes the Center may designate.
- I acknowledge that I, as a volunteer of Helen Woodward Animal Center, do not have permission to take photographs or video of any privately owned animals at the Center.
- I acknowledge and understand that as a volunteer of the Helen Woodward Animal Center, I, or my child (if applicant is under 18) are not covered by the Helen Woodward Animal Center's workers compensation or any other insurance policy for any damages or injuries I, or my child, may sustain during volunteer activities.
- I understand that participating in Helen Woodward Animal Center's activities involves the risk of injury to [me] [or] [to my child under 18 years of age], whether [I] [or] [my child under 18 years of age] or someone else causes it. Specific risks vary from one activity to another, and the risks range from minor injuries to major injuries, including catastrophic injuries. In consideration of [my] [or] [my child under 18 years of age] participation in the activities offered by Helen Woodward Animal Center, I, for [myself] [or] [on behalf of my child under 18 years of age] understand and voluntarily accept the risks and agree that Helen Woodward Animal Center, its officers, directors, employees, volunteers, agents and independent contractors, will not be liable for any injury, including without limitation, any personal, bodily or mental injury, any economic loss or any damage to [me] [or] [my child under 18 years of age] resulting from any negligence of Helen Woodward Animal Center or anyone acting on Helen Woodward Animal Center's behalf.

By signing below, I acknowledge and agree that I have read the statement above, understand the nature of the activities and risks, and agree to the terms.
