

NAMING OPPORTUNITY

LOBBY \$1,000,000

The lobby of the Humane Education Complex will be a focal point of the building and will create a lasting first impression for visiting parents and children. The tree below will be a key component of the lobby and will include areas for children to sit and read, climb, and explore while their parents are meeting with program staff and going over materials at the registration desk.

Prominent naming signage will be displayed with any of these selections.

NAMING OPPORTUNITY

JUNGLE/WOODLANDS CLASSROOM \$1,000,000

There are a total of six classrooms in the new building and each one has its own nature-related theme that will allow the children to immerse into that environment as they learn about a variety of animals and their individual habitats. This particular classroom can be divided into two individual classrooms (jungle and woodlands) or merged together to make one large classroom for bigger groups. As you can see there are a variety of unique features including the “river” flowing through the middle of the room and the ceiling tiles that are part of the “canopy” and allow light to filter through.

Prominent naming signage will be displayed with any of these selections.
