CREATING A HUMANE WORLD FOR ANIMALS AND PEOPLE

Helen Woodward Animal Center is a unique, private, non-profit organization dedicated to saving the lives of animals and enriching the lives of people. For more than 45 years, our no-kill Center has provided humane care and adoption for orphan animals, as well as animal-centered educational and therapeutic programs for people. The Center is a dynamic, evolving institution that is an agent of change for the animal welfare world. Not only are we operating innovative and beneficial programs for animals and people, but we are teaching others around the world how to successfully market and promote their programs and stop the senseless death of thousands of animals. 🐾

Don't miss a single issue...

Every issue of Helen Woodward Animal Center's *The Companion* newsletter is filled with stories about the relationship between humans and the animals that we love. Four times each year *The Companion* keeps you informed about how you are helping us fulfill our mission of "people helping animals and animals helping people."

SURRENDERED PETS will receive a complete veterinary examination for good health and temperament. A documented history is required for all owner-relinquished animals. Dogs under our care are exercised regularly and cats enjoy comfortable playrooms. Experienced staff screen potential adopters to help clarify needs and ensure a lifelong match. Once an adoption is complete, our staff is available for any assistance to make the transition a success.

PRESIDENT'S MESSAGE

Dear Friends,

It is hard to describe the bittersweet feelings as we oversaw the demolition of our old Adoptions building and began construction on our new building. As we look back on Helen's vision and all that she created, we can't help but feel nostalgic. It has truly been an amazing 45 years of growth with Helen's dream of "people helping animals and animals helping people" guiding the Center throughout these years. During the Center's early days, we focused on life-saving adoption and education, but soon expanded into programs and services that enrich the community, such as Therapeutic Riding, Pet Encounter Therapy, AniMeals, the Equine Hospital, and Club Pet. On a global level, the Center has seen incredible results from programs like "The Business of Saving Lives" workshop, which reaches out around the world to help pets in need and those who serve them.

In preparation for this momentous event, we took a look back at the Center's history and the true impact of this organization. On pages 8 and 9 you can read all about the recent groundbreaking, the expansion of the Center, and see our temporary facilities. We are excited for this new chapter in the Center's history and we are also very proud of what has been accomplished with your support over the past 45 years. We have never lost sight of the fact that none of this would be possible without friends like you. We thank you for all you have done and continue to do to make Helen's dream a reality.

Though it is an exciting time here at the Center, we must still share our important message around the world. I am honored to have been invited to speak at the International Companion Animal Welfare Conference in October in Poland with over 300 animal welfare delegates from around the world. It will truly be a unique opportunity to share the message of hope and inspiration to our fellow animal welfare champions while encouraging them to develop the business skills and professionalism that are so needed in our field.

We will also host "The Business of Saving Lives" workshops here at the Center in June and October. We are honored to announce that special guest, Elizabeth Oliver, will be joining us all the way from Japan. Elizabeth has made a significant impact on the issues affecting animal welfare throughout Asia. Through these workshops, your Center is making a difference on a global scale!

Thank you for your kind support and for your partnership in this amazing adventure.

For a more humane world,

Michael M. Arms,
President and CEO

MAKING A WISH

Six little puppies shivered against the cold December wind with only each other's body heat for warmth. The hole in the ground that their mother had dug for them was their only protection against the frigid weather, other animals, and the cruelty of humans. How long would they survive in these conditions, their eyes not even open and unable to find food or water on their own? Thanks to a good samaritan, they didn't have to find out.

The woman, who had seen the puppies earlier in the week, quickly noticed that their mother was no longer there to care for them and circumstances were looking very dire. She quickly snatched up the little bundles and took them to her nearest rescue, explaining that their mother had been there at first but was now unable to be found.

The rescue was happy to take these special pups but knew that they would need more care than they could provide at their small organization. They reached out to their friends at Helen Woodward Animal Center and we quickly sprang into action to get the puppies to the safety of our facilities.

Our team worked around the clock to get them fed, help them to go to the bathroom, and keep their bodies healthy until they were able to function on their own. Foster families were carefully screened and trained in providing the special care needed to save these little pups' lives. Within a matter of a few weeks, they were growing and thriving with full bellies and loving homes.

Once the puppies were old enough to get their second set of vaccines and spay/neuter surgery, they began looking for their forever families. Since they began that search so close to the New Year's holiday, we named them after popular New Year's wishes: Love, Joy, Peace, Prosperity, Friendship and Luck!

We are happy to share that all of the "Wish Puppies" got their collective wish of being adopted into loving forever homes! Looking back, it's hard to imagine that these precious pups almost didn't get a chance at life; they began their journey shivering and cold, and now they are members of loving forever families. It's a happy ending we wish for every orphan pet. 🐾

WE NEED YOUR HELP!

Because of our construction we have limited space at the Center during this time. We are looking for Foster parents who are willing to take in adoptable dogs or cats for a period of time until space becomes available for them to return to the Center. **You can make the the difference in a puppy or kitten's life, just like Fosters made the difference for our Wish puppies.** The need for foster families has never been greater, so if you have the time and space, and most of all the heart, for this life-saving work please reach out today.

To apply or find out more, email: fosters@animalcenter.org or call 858-756-4117 ext. 366

ENDING 2017 WITH A BANG!

Our 16th Annual HOPE Telethon was a huge success. We broke a record with **over \$1,000,000 raised for orphan pets** and community programs! Thank you to everyone who volunteered, presented their donation, called to donate, watched, or adopted!

Additionally, Blue Buffalo's Home 4 The Holidays adoption campaign, which was founded by our own Mike Arms, collectively found homes for 1,279,809 pets around the world this year! Helen Woodward Animal Center is honored to work alongside all the incredible organizations dedicated to helping orphan pets find perfect, forever families. 🐾

Our riders practice all year long to show off their newly acquired riding skills to friends and family at our Annual Holiday Classic.

OUR 'GREATEST SHOWMEN' — OUR THERAPY RIDERS

ON DECEMBER 2, 2017, our Therapeutic Riding program hosted its annual Holiday Classic Horse Show. Our riders practice all year long to show off their newly acquired riding skills to friends and family on this special day. With this year's theme being "Winter Wonderland", we created an obstacle course based on the holiday song "Over the River and Through the Woods".

37 program participants completed a course that included the use of our wooden bridge, complete with a water feature and river rocks. The riders were then able to guide their horses 'through the woods' of a series of potted evergreen trees, and as the song would indicate, they then brought the horses through the 'drifting snow' which included several 3-foot tall snowflakes. The next element of the course was to take the horses through the barnyard gate and then on a fun, brisk trot to 'grandmother's house we go'.

Rider Josh Myers, pictured here with Therapy Horse Dante and friends. From left to right; Jim & Josie Myers, Katherine French, Jenn Gates, Courtnee Aubain, Gretchen Davis and Courtney Mellor.

Thanks to some generous sponsors, we were able to provide a large silver and white winter themed ribbon as well as a cozy blue blanket that included our festive Horse Show logo.

With our program being at its fullest with participant attendance, we needed to be careful about the timing of the scheduling for the big show day. When we began to take into account the horse use and tack assignments, as well as, the volunteer availability and rider preferences, the schedule turned into quite a puzzle! However, thanks to the help of our specially trained and dedicated volunteers, the Therapeutic riding staff of five were able to get almost 40 riders mounted on our seven horses in a matter of five short hours.

In the end, it was a beautiful and well-choreographed event and we are happy to report that our riders, their families, and friends had a lovely and festive time here at the Center. We want to give a special thank you to all of our horse show sponsors, our fabulous volunteers, and of course our amazing horses who were much indulged with plenty of candy canes. 🐾

Special thank you to Evergate Stables for the generous donation of pasture for Therapeutic Riding.

SAY G'DAY TO BANANA...

Meet the latest addition to our education animal ambassadors, Banana! Banana is a Citron-crested Cockatoo. Cockatoo's are native to Australia, but Banana resides comfortably at the Center's Pet Encounter Therapy building. Like most parrots, cockatoos are very social animals and enjoy lots of interaction with their human "families". Banana loves to dance, sing, and talk! Some of his favorite phrases to say include "I'm banana", "what's the matter", "buh-bye", "Banana", and "cockatoo".

In the wild, Citron-crested cockatoos are critically endangered due to both the illegal pet trade and the loss of their native habitat. Through our educational programs, Banana works hard to teach the importance of protecting and preserving his species. 🐾

"I remember the excitement when we built the [original] building and it's bitter sweet to see its demolition, but the new facility will provide great service and excitement going into the future. Helen is still smiling!"

Breaking Ground on the The Animal Center of *the Future*

President Mike Arms gives opening remarks

SUNDAY, JANUARY 14TH WAS A PROUD AND ESPECIALLY MEANINGFUL DAY FOR HELEN WOODWARD ANIMAL CENTER.

Our President, Michael Arms, Helen Woodward's family — daughter, Win Rhodes, grandson, Emery Rhodes, and

her great-granddaughter Jacqueline Rhodes — and several of our esteemed Board Members broke ground on our new Adoptions building.

The new Center will house fully enclosed indoor/outdoor kennels, a largely expanded medical facility, and a separate entrance for the efficient transfer of orphan pets from around the world. It will be in the original footprint of our current Adoptions center and we anticipate that it will be completed in 12 to 15 months from the beginning of demolition in early February. It is a culmination of many years of hard work and planning and the incredible generosity of our wonderful donors to whom we are so grateful. We truly could

not have done it without your support!

The Center has been dreaming about a day when we would have absolute confidence that, no matter how cold and windy it was outside, our adoptable dogs and puppies would be safe and cozy inside.

We are grateful that, no matter how many dogs and cats needed our help due to overcrowded shelters and limited staffing, we will be able to welcome them all with open arms.

We will now have the medical facilities to get them all treated, spayed or neutered, and into loving adoptive homes as quickly as possible. 🐾

Spayed or neutered nearly
43,000
cats and dogs

Provided safe haven to almost
38,000
pets in need, in partnership with organizations around the country

Guests of the groundbreaking ceremony were treated to a meet and greet with current adoptables.

ADOPTIONS VILLAGE

In the meantime, the Center has created an Adoptions Village on-site to ensure that we continue to meet our Adoptions goals even in the midst of construction. By utilizing our old Education house, we have been able to transform the space with a sustainable area for our adoptable pets, including temporary kennels for dogs and an indoor area for cats.

Our Adoptions staff ready to continue to provide the best care for our animals

This new space also houses the Adoptions “check-in” area, the Foster program, and our retail shop, Paws in the Ranch. We are utilizing the old medical facilities in the Club Pet building for spay/neuter surgeries and medical procedures during this time, as well. It is a busy time for our hard-working Adoptions staff, but they are committed to a future that provides the best care possible for our pets. 🐾

Check the website, animalcenter.org, for our special hours during this time. We will continue to take as many animals as we can, but we will be limited due to the temporary facilities.

THANK YOU

THANK YOU TO ALL OF OUR LOYAL FRIENDS AND SUPPORTERS WHO MADE 2017 THE BEST YEAR IN THE CENTER'S HISTORY FOR THE PETS AND PEOPLE WE SERVE!

The Center saw tremendous growth this year with our educational and therapeutic programs, as well as an increased impact around the world with our international campaigns. We had, yet another record-breaking year with 3,476 orphan cats and dogs finding their forever homes, 70 of those being from our Hurricane Harvey rescue efforts, and our global presence reached even more people this year with the Remember Me Thursday® and Home 4 the Holidays® campaigns. Since Home 4 the Holidays began in 1999, we have helped find homes for over 14.6 million orphan pets, and this year, Remember Me Thursday made over 325 million impressions on social media worldwide to honor those pets who lost their lives too soon.

The Center's Humane Education program taught respect and compassion for animals to over 14,485 children this year, including providing hands-on interactions with animals to

over 100 classrooms at low income schools. Pet Encounter Therapy and Therapeutic Riding initiated over 25,000 therapeutic interactions to the children and adults who benefitted from the animals, and AniMeals supplied 70,350 pounds of pet food to the pets of homebound seniors, low-income families, and military veterans. Club Pet Boarding, the Companion Animal Hospital, and Orphaned Objects Resale Shop also had a successful year, but none of this would be possible without your support. Thank you for changing the lives of so many people and pets in 2017. We know 2018 will be even more spectacular with your help.

Thank you to all of our generous donors who joined or renewed their membership in one of our giving clubs, participated in special events, or provided in-kind support between January 1, 2017 and December 31, 2017.

HOW YOU CAN HELP

There are so many things you can do to help animals and people in need in our community.

Visit www.animalcenter.org to learn how!

Contact Development 858-756-4117 x350, or ElisabethB@animalcenter.org to donate today!

MEMORIAL GIFTS

The Center has always been a place where people can memorialize the pets of their friends and family with special gifts of support to help the orphan pets in their honor. One of the most visible programs we have had is the Tree of Life. *Due to the new construction we are going to be moving the Adoptions Tree to Club Pet.* There will be two Trees over there, but both Trees are going to be quite full with leaves so we have decided to discontinue the program. All the current leaves will find a home on one of the trees.

In lieu of the Tree of Life, we have a beautiful program called "I Remember You" to memorialize pets on-line, by "lighting a candle" and sharing a story and photo. See the link below. If you have any questions please call Elisabeth Baker at x350 or visit old.animalcenter.org/irememberyou/

MONETARY DONATIONS

Helen Woodward Animal Center relies heavily on private donations to fund our programs.

BECOME A 'PAW PAL'

Monthly donors support our work throughout the year with recurring monthly gifts. Enroll with the form below!

IN-KIND DONATIONS

To help reduce costs, our programs are always in need of items to support their activities. Visit animalcenter.org for our current wish list of specific needs.

ALTERNATIVE GIFT CARDS

Give the gift that saves lives! A gift to help the animals is a great way to celebrate a birthday, graduation, or the upcoming holidays. We will send a personalized card notifying the recipient of your gift.

VEHICLE DONATIONS

Take the hassle out of selling your old car, truck, motorcycle, or other vehicle — donate it to Helen Woodward Animal Center! Our simple, hassle-free program will take care of all the paperwork, pick up your vehicle, and send you the documents needed for a tax deduction, while providing valuable funds to help the animals!

PLANNED GIFTS AND PET BEQUESTS

Including Helen Woodward Animal Center in your will or trust will create a lasting legacy to help pets and people in need for years to come. Make provisions to ensure your pets will be cared for in the event of your passing. Contact Renee Resko: 858-756-4117 x347 or email ReneeR@animalcenter.org

SPECIAL EVENTS

The Center holds a variety of exciting fundraising events throughout the year from a 5K to a gala.

CORPORATE AND BUSINESS PARTNERSHIPS

Get your company involved to raise funds for the animals by sponsoring an event, running your own fundraiser, or participating in our HOPE Telethon.

Contact Marilyn Martinez: 858-756-4117 x312 or email MarilynM@animalcenter.org

VOLUNTEER

Our work depends entirely on the support of our dedicated volunteers. Many opportunities are available for youth, adults, and groups in our various programs and events.

Contact Megan McCarty: 858-756-4117 x305 or email MeganM@animalcenter.org

BECOME A FOSTER PARENT

Some pets just need time in a loving, comfortable home before they are ready for adoption. We are in great need of more volunteers willing to open their homes to these orphan pets.

Contact Emily Beltran: 858-756-4117 x375 or email Fosters@animalcenter.org
