ANIMALS FAN CLUB

PRINCIPAL'S MESSAGE

Principal(Sardar Harjit Singh), Guru Gobind Singh Public School(HSP)

It gives me immense joy to see our young learners connecting with the innocent lives that share our world – the animals. The Animal Fans Club is not just a platform for learning, but a path to awaken empathy, compassion, and responsibility in students.

Through this beautiful activity of capturing moments with domestic animals and expressing heartfelt thoughts, you all have shown that kindness knows no boundaries. Loving and caring for animals teaches us values that no textbook can fully describe – patience, selflessness, and unconditional love.

I congratulate all the students who participated and extend my heartfelt appreciation to the Animal Club in-charge and the coordinating teachers for making this initiative meaningful.

Let us continue to build a society where every creature is treated with respect and care.

Be kind. Be responsible. Be human.
